

Join Us at Lambeau for the 2016 Converters Expo

North America's biggest packaging show is right around the corner. The 2016 Converters Expo will be held in Green Bay, Wisconsin on April 13th and 14th at the legendary Lambeau Field. Our Sierra Coating team will be at booth #A213, ready to welcome our old colleagues and connect with new show attendees.

We are looking forward to showcasing our full array of packaging services at the upcoming event. From initial concept to full-scale production, we cover a complete range of coating and laminating services. These include our cutting edge eco-friendly and high barrier coated paper, which combines superior product protection and sustainable packaging, and our food grade packaging and made-to-order products, which fulfill our customers' most challenging specifications.

Education, Networking, and More

The Converters Expo is a one-of-a-kind opportunity for paper, plastic, film, and non-woven packagers and converters to meet industry buyers and suppliers. Last year's event set a new record for attendance, and this spring's expo is promising to be bigger than ever.

Over 75 exhibitors are already enrolled for the 2016 event, and attendee registration numbers continue to grow. Event attendees will have the opportunity to see the latest and most advanced products while learning from the industry's top professionals. All participants will gain access unparalleled educational opportunities, including discussions about the newest trends, techniques, and advancements in the industry.

The following industries represent just a few of the exhibitors planning to present at the upcoming expo:

- Coating and lamination
- Folding and finishing
- Printing
- Automation
- Packaging, warehousing, shipping, and logistics

Sierra Coatings: Contract Manufacturing On Demand

In today's on-demand world, contract manufacturing is booming. With a full range of coating treatments and lamination adhesive services available from companies like Sierra Coatings, customers no longer need to purchase their own equipment or build additional facilities to finish their products. As highlighted in a recent LinkedIn article, companies can leave this work to a contract manufacturer, thereby lowering costs and upfront investment while reaping the benefits of increased efficiency and streamlined production processes.

At Sierra Coatings, our services are an important manufacturing step for many customers whose products require films, paper, or nonwoven materials. Customers save time and money by letting us help with product development — no new machines required. With our highly advanced equipment, we can produce in any volume our customer needs — from prototypes to large scale runs.

We Look Forward to Meeting You
